KARMIC BUSINESS GUIDANCE

Your North Node in Aquarius (6th House) combined with approaching your Nodal Return means one thing is absolutely non-negotiable: **This business MUST serve the collective good, not just your ego or wallet.**

Seven Questions for Any 2026 Business Venture:

- Can this create jobs or opportunities for others? (Aquarius)
- Is this innovative or future-forward? (Aquarius)
- Will this matter in 10-20 years? (Capricorn)
- Does it allow creative expression? (Leo)
- Can I build a lasting legacy? (Capricorn)

If you answer YES to most of these questions, you're aligned with your destiny. The universe will support businesses that fulfill your North Node mission. If you're building solely for money or recognition, you'll face resistance and struggle.
